

Shared Company Values

Towel Specialties stands tall as one of the industry's most dependable suppliers since 1985. By aligning with Blue Mill Weavers, a trusted textile manufacturer for over thirty years, our partnership embodies gorgeous woven blankets of the highest quality, excellent customer service, and a commitment to sustainability. Our hearts are in what we do. We promise that you will feel that when you open your first sample.

Sustainability

- **100% Solar Power** conversion for Main Facility starting in May 2024
- **OEKO TEX Standard 100 Certified**
- All Products are **100% cotton (25% recycled cotton)**
- **100% of Yarn, Paper, and Plastic Waste from the Manufacturing Process is Recycled**
- Water Reclamation Processing, limiting water consumption to **less than 30 gallons of water used** per day for the processing of 2,000 blankets
- **90% of Blankets are woven on demand**, shortening the supply chain, and reducing manufacturing waste

Workers & Community

- **Second Chance Facility**, a commitment to uplifting our community through giving those their first post-addiction & incarceration job
- **Model Diversity, Equity, and Inclusion Policy** with unbiased recruitment

Made in America

- **Soft & Breathable** Woven Cotton Construction
- Larger and Thicker Blanket Sizes
Expansive Color Palette (**147+ Unique Colors**)
- **Rapid Sample & Bulk Order Turnaround**
- Automated and Flexible Restock Solutions

Ask about our **\$35.00(z) spec sample program**
